Where do I find information about surface finish/colours?

The Info-Area opens after selecting the „Menue“ (☰ on the right hand side) button.
After that, one can select **1** „Info-Area“.

The screenshot displays the tuulo website interface. At the top, the navigation bar includes the tuulo logo and links for HOME, PRODUCTS, PATTERN HOUSE, and MESSAGES. On the right, there is a search bar containing 'FENSTERBAU SIEGEN GMBH (24130 - SIEGEN)', a LOGOUT button, and a shopping cart icon with '0,00 €' and a menu icon. A black arrow points to the menu icon. Below the navigation bar, the main content area is divided into three sections. The left section is a brown sidebar with a search bar, a user greeting 'Hello, Maik Pluschke', the selected customer 'FENSTERBAU SIEGEN GMBH', and the tuulo logo. The middle section features a user profile for 'Pluschke, Maik' with a dropdown menu for the selected customer. The right section is a white sidebar with a menu containing 'USER ADMIN', 'ORDER HISTORY', 'OFFER CALCULATIONS', 'REQUESTS FOR QUOTATION', and 'WISH LIST'. To the right of this menu are buttons for 'GO TO BASKET', 'INFO-AREA' (highlighted with a '1' in a circle), and 'MORE ABOUT GUTMANN BUILDING SYSTEMS'. Below the menu and buttons are logos for 'GUTMANN SYSTEM' and 'LUTRAX'. At the bottom of the page, there is a banner image of a laptop displaying a shopping cart explanation, with the text 'NOW ON TUULO.DE' in the bottom right corner.

Info Zone: Surface Finish Information

Select **1** „Surface Information“.
To use the Colour configurator select parameters and click on **2** „Show Result“. Results are displayed.

Color group	Colour table	Colour shade
